Study in Tauranga – new city campus

The new University of Waikato Tauranga campus means that students now have even greater study options in the Bay of Plenty region.

Our new campus is a multi-purpose space where students, researchers, the community and industry all work together in the heart of the fastest growing region in New Zealand.

The main campus building is designed to promote collaboration and social learning. It includes communal study and social spaces, a 24-hour computer lab and a café. The campus also includes a noho centre, which is available for use by students, staff and the wider community.

Students have the same access to lectures, course materials and teaching staff as Hamilton based students.

A newly introduced Kaimai Shuttle service provides daily transport between our two campuses.

Visit tauranga.waikato.ac.nz to find out more about the University of Waikato Tauranga campus.

Your next steps...

1. GET ADVICE

Our Future Student Advisers are here to help you make the best study decision for you. They can answer any questions you have about degrees, papers, Halls of Residence, student support, scholarships and more. Visit them in the Information Tent on the Village Green during Open Day, or contact them at recruitment@waikato.ac.nz or on 0800 WAIKATO after Open Day.

2. COMPLETE AN APPLICATION TO ENROL

Once you know what you’d like to study, you’ll need to submit an Application to Enrol. You don’t need to have chosen your papers yet. Apply to enrol at waikato.ac.nz/enrol

3. APPLY FOR THE HALLS OF RESIDENCE

Applications for the Halls of Residence open on 1 August, and close on 1 October. Check out waikato.ac.nz/go/accommodation to find out more about your options.

4. CHECK OUT OUR SCHOLARSHIPS

We have a generous range of scholarships to help you fund your study. Many of our scholarship applications close on 31 August, so visit waikato.ac.nz/scholarships early to see what you’re eligible for.
