Please note:
The Diploma in Law (DipLaw) is typically a two-year, part-time qualification. Should a student choose to complete the optional paper, LEGAL203 Jurisprudence, they would have completed all 100 and 200 level papers required for the law component of the first two years of the Bachelor of Laws (LLB). Students therefore have the option to transfer these papers to the LLB and continue on to complete the remaining requirements of this qualification.
